

Printed Pages per Photocopier

From 10/02/2002 09:48:44 until 10/02/2009 09:48:44

These counts do not contain the number of copies, only the number of printouts that have been processed by the EasyPrint system. The number of counts for a photocopier is obtained from that copier and may include double-counted pages and other settings relevant to your contract.
